

NEW WEBSITE

The website is being completely overhauled and the new version is being launched in January. The address remains the same (www.lancingbusinesspark.co.uk) but the content will be very different. You will be able to find out more about this exciting development at the open time on Thursday 20th January prior to the AGM. Log on to the new site after this

date and save it as a favourite as there are lots of advantages to be gained.

An electronic newsletter will be sent out on a monthly basis starting this year. However, for this to work effectively the address data must be accurate and kept up-to-date. This is by far the most effective means of communication so please let us know if your details need changing or updating by contacting admin@lancingbusinesspark.co.uk

PASANTE CELEBRATES

Pasante is an independent UK healthcare company based in Lancing and this year we celebrated our 10 year birthday with an exciting competition.

Pasante gave away 10 each of some exciting prizes including Mountain Bikes, MP3 players, mobile phones and digital cameras and the draw was made by Tim Loughton MP (see right).

Pasante is a family company, owned and run by the Boon family, and the establishment in Lancing Business Park currently employs 32 members of staff.

Although the company originally started out selling mainly condoms, in recent years the product range has grown to incorporate a wide variety of healthcare

products. Our range now includes pregnancy and HIV testing kits, a range of disposable gloves and much more. We are also an exclusive distributor of the Mr Men healthcare and Sebamed skincare range.

Pasante prides itself in distributing innovative products throughout the healthcare sector and we are looking forward to another successful 10 years on Lancing Business Park!
